

Table of Contents	Page
Introduction	1
What is CHE	1
The Code of Conduct.....	3
What is the goal of CHE?	4
New Paradigms	5
Making CHE effective	5
Ethical role of Pharma.....	6
Recap.....	7
Module 1: Adult Education.....	1.1
Objectives	1-1
Context	1-1
Characteristics of the adult learner.....	1-2
Basic tenets of adult/professional education	1-2
How do adults learn? Learning and change.....	1-4
The implications for CHE	1-7
Recap.....	1-7

Table of Contents	Page
Module 2: Basics of CHE Planning	2.1
Objectives	2.1-1
Model	2.1-1
Developing the idea for the program: 3 fundamental questions.....	2.1-2
Section 1: Where am I going? Determining learning needs	2.1-5
Objectives	2.1-5
Setting Goals.....	2.1-5
Environmental Scanning.....	2.1-5
The Target Audience	2.1-6
What is a needs assessment?	2.1-7
Perceived needs and methods of assessment	2.1-8
Unperceived and misperceived needs and methods of assessment.....	2.1-12
Staging change	2.1-15
Recap	2.1-15
CD-ROM Tools	2.1-17
Self-test – Section 1: Where am I going? Determining learning needs	2.1-19
Additional Resources	2.1-20
Section 2: Where am I going? Writing goals and objectives	2.2-1
Objectives	2.2-1
The difference between goals and objectives.....	2.2-1
Setting goals and objectives.....	2.2-1
Statement of purpose	2.2-2
Purpose of objectives	2.2-2
Criteria for writing objectives	2.2-3
Recap	2.2-5
Further resources on goals and objectives.....	2.2-7
CD-ROM Tools	2.2-7

--------------------------	-------------

Module 2: Basics of CHE Planning (cont'd)

Section 3: How will I get there? Choosing learning methods	2.3-1
Objectives	2.3-1
Content development	2.3-1
Domains of learning	2.3-1
Description of methods	2.3-2
Interactive techniques for large groups	2.3-11
Methods for learning in small groups	2.3-14
Recap – Key Points	2.3-16
Further Resources on Methods	2.3-16
CD-Rom Tools	2.3-16
Self-test – Section 3	2.3-17
 Section 4: How will I get there? Implementing the program	 2.4-1
Objectives	2.4-1
Choosing faculty	2.4-1
Role of KOL in change	2.4-3
Role	2.4-3
Consulting with KOL	2.4-4
Case studies	2.4-5
Recommendation	2.4-6
Resistance	2.4-8
Audiovisual aids	2.4-9
Choosing audiovisual aids	2.4-10
Handouts	2.4-10
Recap	2.4-11
Further resources on audiovisual aids and handouts	2.4-11
CD-Rom Tools	2.4-12
Logistical planning	2.4-12
Day of Event Quick Checklist	2.4-13
CHE Checklist 2 (detailed planning schedule)	2.4-14

Module 2: Basics of CHE Planning (cont'd)

Section 5: How will I know when I'm there? Evaluating the program	2.5-1
Objectives	2.5-1
Background	2.5-1
Definitions	2.5-2
Levels of evaluation	2.5-3
Methods	2.5-6
Glossary	2.5-7
Sample evaluations	2.5-9
An added note	2.5-11
Attitudes	2.5-11
Measurement of attitudes	2.5-12
Recap	2.5-13
Reinforcement of learning	2.5-13
Further resources on evaluation	2.5-16
CD-ROM tools	2.5-16
Electronic resources	2.5-16
Examples from the CD-ROM	2.5-17

Table of Contents	Page
Module 3: Accreditation	3.1
Objectives	3-1
Introduction.....	3-1
Common Criteria - review.....	3-3
Other points.....	3-5
Examples	3-5
Understanding the why behind accreditation	3-5
Perceived needs – representation from the target audience.....	3-6
Needs assessment: creditors are looking for two things	3-6
Unperceived needs: why are they important to identify.....	3-6
Objectives section	3-7
Interaction in learning section	3-7
Feedback to the learners	3-7
Feedback to the organizers (course evaluation).....	3-7
Reflective exercises.....	3-8
Recap.....	3-8
Module 4: The Role of Change – Theory in effective CHE.....	4.1
Objectives	4-1
Does CHE make a difference?	4-1
Change theory.....	4-2
Strategies for PRECEDE.....	4-4
Prochaska’s Model of Behaviour Change	4-4
Further reading.....	4-9
Motivational Interviewing	4-9
Getting started and keeping them going.....	4-10
Recap.....	4-11
Further references	4-11
Example – Commitment to Change contract.....	4-12

Table of Contents **Page**

Module 5: Current Issues in CHE	5.1
Objectives	5-1
Balance and Bias in CHE	5-1
Background	5-2
Interprofessional teams and education.....	5-5
Practice Based CHE	5-8
Blended or distributed learning	5-9
The role of technology in learning	5-9
Gender issues	5-11
Violation of the Code of Conduct.....	5-13
